ORCA BAGS HARD SHELL ACCESSORIES BAG- LARGE MODEL: OR-69

The new Orca Hard Shell Accessories Bag- Large was design to carry and protect sensitive equipment to and from location.

The top and the bottom of the bag are made from thick plastic thermoforming boards, which provides ultimate protection for the equipment stored inside. All the sides come

with a honeycomb frame, giving your equipment 360 degrees of protection. The bag comes with a soft carrying handle and a padded shoulder strap.

Ideal to store:

Wireless audio systems, Wireless Video systems, hard drives, headphones, small

mirror less cameras, microphones, small charges and batteries, lenses, matte boxes, follow focuses, monitors(7 " or 9") or any other sensitive gear.
