**HARD SHELL-SMALL MODEL: OR-66**

The OR-66, new Orca Mini Hard Shell Accessories Bag is the smallest size from the hard shell family bags,( OR-66, OR-67, OR-68 & OR-69) and was design to carry and protect any sensitive equipment to location.

The top and the bottom of the bag come with thick plastic thermoforming boards, which provides ultimate protection for the equipment stored inside. All the sides come

with a honeycomb frame, giving the bag 360 degree protection. The bag comes with a soft carrying handle and a padded shoulder strap.

Inside the bag there are 3 dividers to set up the inside in different ways as per the user's needs. On the inside top cover, there are 3 pocket for extra storage. The top pouches panel can be removed.

The bag is ideal to store: Wireless audio systems, Wireless Video systems, hard drives, headphones, small mirror less cameras, microphones, small charges and batteries, lenses or any sensitive gear.
