

flowtech™ 75 & 100 Ground Spreader

The world's fastest tripod now in 100mm.
Ideally suited for news gathering.

Sachtler and Vinten present the award-winning flowtech Tripod technology. flowtech tripods are incredibly fast and easy to set-up with revolutionary quick release brakes for precision shooting. The addition of the ground spreader 75 and 100mm tripods and systems completes the flowtech family. The new ground spreader follows the fast-deployment attributes of the tripod and offers easy foot control to extend the spreader arms.
