OR-520 DSLR Waist Belt for Mirrorless and DSLR Cameras

The Orca OR-520 waist belt is designed to hold and protect your compact mirrorless or DSLR camera, with a mid-range zoom lens attached. It can also hold two additional lenses and extra accessories. The belt's opening allows for easy access to the main compartment, which positions your camera for swift retrieval.

Main Features:

- Main compartment with 4 dividers
- Shoulder strap
- Padded mesh back
- Clear front pocket for easy access to smartphone
- 2 large side pockets for lenses, flash, or water bottle
- 2 external pockets for memory cards and other small accessories
- Internal sleeve for stick or gimbal stabilizer

Large Lens/bottle external pockets
